

“Coronavirus has laid bare the inequality in our society – the same inequality I’ve spent my career fighting.

I won’t stop until everyone in our community, especially our marginalized and most vulnerable, has the resources they need to thrive.”

Christine Barber Is Our Progressive Champion

Christine
Barber
DEMOCRAT FOR STATE REPRESENTATIVE

During the COVID-19 crisis, Christine Barber focused on those in our community who have been disproportionately affected by it—like our essential workers, seniors, immigrants, and people who are incarcerated.

Christine has fought to make sure **tax-paying immigrants received stimulus payments, to increase access to health care** through MassHealth, and to **expand unemployment and free access to food** for those in need.

CHRISTINE WILL CONTINUE TO FIGHT FOR OUR PROGRESSIVE VALUES BY:

- Championing equality for immigrants
- Increasing access to affordable health care and reproductive rights
- Leading on climate justice
- Creating more affordable housing
- Making corporations pay their fair share
