

STEVE O'DORISIO KNOWS:

Every child deserves safe drinking water.

That's why Steve is fighting
for clean water and air,
pushing for more
transparency and
accountability
for bad actors.

THE DENVER POST

Thornton's old mall is a toxic hazard and threatens neighbors – and the cleanup is years in the making

Adams County Commissioner Steve O'Doriso said after this week's hearing: "Some people only care about money, so they pollute our environment, dump in our communities, and operate slums. They don't care enough about the community... only penalties that affect their bottom line get their attention."
